May the **Luck-O-The Irish** be with you this month as we bring this winter season to a close. I am sure that all of you are looking forward to the first official day of Spring on Thursday, March 20th. We will have plenty of celebrations and activities this month to enjoy and put a little Spring in your step!

We will continue through the month of March, and into April, providing our members with the AARP Tax Assistance Program. The service is available every Tuesday and Thursday from 9 AM to 12 Noon, and by appointment only. Unfortunately, we have filled all of our allotted time slots, but please give us a call to get onto our waiting list, as perhaps some additional appointments will become available. Please call our front desk for further information.

Our **Annual St. Patrick's Day Luncheon** will be held on Monday, the 17th of March at 11:30. Corned Beef and Cabbage will be served, of course!! Make your lunch reservation early and wear your **Green!** Everyone is **Irish** on that day!

Also, starting on March 20th at 5:01 AM to April 16th as Easter is around the corner....we will have a Jelly Bean Contest to satisfy your sweet tooth. Guess the correct number of Jelly Beans in our jar and submit your answer during the month of March or April. Only one guess per member. The guess closest to the correct number, without going over, wins a beautiful Easter Basket!! The winner will be notified on Wednesday, April 16th.

Looking ahead on our calendar, there will be a Garden Club/Volunteer meeting here on Wednesday, March 19th at 10 A.M. Come to the meeting and then stay for lunch. Our **Annual Spring Yard Sale** is scheduled for **Saturday, May 3rd**. Save this date! We are also actively seeking seniors to join our **Pickle Ball and Cornhole Group**. Please inquire at the front desk.

This is your last reminder that your **Harvest Years Dues** are **OVERDUE!!** All member's Dues were due and effective on February 1, 2025. It is just \$25.00 per person, per year. Without current membership, you will not receive the newsletter, reduced lunch prices, and access to all our activities and transportation programs. If you need assistance keeping your membership current or information of **Lifetime Membership**, please contact us as soon as possible.

*Have a Blessed Spring, Tom*

## Things I'm Super Good At!!

1. Forgetting someone's name 10 seconds after they tell me.
2. Buying produce....and throwing it away two weeks later.
3. Digging through the trash for the food box I just tossed out, because I already forgot the directions.
4. Making plans, and then immediately regretting making the plans.
5. Leaving laundry in the dryer until it all wrinkles, Then turning on the dryer to de-wrinkle everything, Then forgetting it again.
6. Calculating how much sleep I'll get if I can just "fall asleep right now".

## It's Time to Get Moving!

**"The first step towards getting somewhere is to decide you're not going to stay where you are."**

**-J.P. Morgan**

A place to call home comes in many packages, it could be a move closer to family, or a senior community that offers less responsibility. There are also senior living communities with options for transitional housing to include independent living, assisted living and skilled nursing when the time comes. If you are thinking of selling your home, I can help you every step of the way! Contact me to begin your journey.

# ***DIRECTORS REPORT***

## ***MARCH 2025***

As you are now aware, we have expanded our monthly Newsletter from 12 to 16 pages at no additional cost to the center. This will provide us with more opportunities to share information with more of our valued members. As part of this, we will include a monthly update from your Board of Directors rather than the seasonal reports we were posting on our web page.

We regret announcing that our long time secretary, Judy Lomax, has resigned from the Board in order to pursue other interests. She did a wonderful job recording the minutes of our meetings and her wise counsel and advice over the years is greatly appreciated. We thank her for her years of hard work and dedication to Harvest Years Senior Center.

While we will miss Judy, the Board is fortunate to have Loretta Way join us as our newest member and new secretary. She has been with the center for some time as our bookkeeper/accountant and we know she will be a welcome addition to the Board.

One of the Board's major goals to help us meet our mission statement is to update and modernize our facility. We have made major renovations to the kitchen and are now planning on repairing and re-painting the great or multi-purpose room. We have not made a decision on when this will be done and what adjustments this will require us to make in our scheduled activities. We will of course keep you informed of such changes in a timely manner. Once that work is completed we will consider the replacement of the chairs in that room.

In recent months, we have expanded our activity opportunities to include Bingo, Spring and Fall Outdoor Picnics, Men's and Women's Clubs for which we are hoping for more of you to join. Generating ideas like these is the main reason the Board holds twice-a-year Saturday workshops to provide us the opportunity to engage in long term planning. Other activities we are considering include a members' talent show, a themed dance, a return of the cornhole tournament and perhaps shuffleboard.

The other piece of our long range planning deals with the building itself. Obviously, we do not have the room to add on to it but are there ways to reconfigure the building that exists to make it possible to widen our offerings? Could we close off part of the multi-purpose room to make it an exercise center for instance? Is it possible to adopt part of the attic for more than just storage? The Board is always open to any suggestions or ideas about our offerings on the facility our members may have.

We look forward to seeing you around the center.

***THANKS FOR HELPING***

***SECURE THE CALL - HELP THE COMMUNITY***

**Welcome to Secure the Call**, a national program that collects used and unwanted cell phones and after a little work, redistributes them to anyone who needs a phone to call 911 in the case of an emergency. Any phone that can be turned on can be used to call 911. It's always a free call and it will always connect you to the nearest emergency operator. If you have a phone, you're always close to getting help. But if you don't have a phone you could be in trouble.

**We are a Community-Based Organization** - Secure the Call is an all-volunteer 501 © non-profit that works with over 500 organizations consisting of Senior Citizen Centers, Battered Women's Shelters and Police and Sheriff's Departments (we call them our Community Partners) throughout the entire USA..

Every day our **Community Partners** call us and request phones. We never charge them for the phones they receive - we even pay for the shipping. Instead we rely on the generosity of the community for everything we do.

***THANKS TO YOU, THE PROGRAM WORKS!***

**Secure the Call Needs Our Help.** We have a collection barrel at Harvest Years Senior center, provided by Secure the Call. As we fill the barrel a new one will be furnished about every two to four months (depending on how fast the barrel fills up). We send the filled barrel back and the phones are delivered with 5 days. It's just that simple.

Thanks again for your help. The organization does not want to disappoint anyone who wants or needs an emergency phone. But they can only give out what they get in.

Your help is greatly appreciated.
