Fall is in full swing! Chilly mornings, and shorter days! As the calendar turns to **November The Harvest Years** has many activities to gather us together in the coming weeks!

Our traditional **Thanksgiving Luncheon** will kick off our Holiday Season on Wednesday, November 20th. We ask that you make your reservations well in advance, as we will have limited seating. We will be offering homebound delivery that day between the 11:30 AM and 1:30 PM, and will need to know at least 24 hours in advance to guarantee your meal delivery. Please join us on this special day to give thanks together and for a delicious meal.

Our daily **Soup-Of-The-Day** has been open for business and serving warm, delicious soups to many of our members. You may enjoy a cup, a pint or a quart, here or to go. Unfortunately, starting on November 15th our home-made soup price will need to go up. The prices will be as follows: a cup will be \$4.00, the pint will of soup will be \$5.00 and the quart will be \$6.00. Please check our daily menu for our soup de jour at the beginning of each week.

Member's Bingo is on the calendar for Friday, November 8th at 12:30 PM. Come and enjoy lunch with us before the games begin and enjoy some fun company.

Our last fundraiser of the year was added to the calendar.

Our **Spaghetti Dinner Fundraiser** will be on **Friday, December 6th**. Our dinner starts at 4 PM. Bring your family or groups of friends and let us do the cooking. Please make your reservations now by calling **302-698-4285**. Come and enjoy the evening at The Harvest Years.

During the month of November, our **Annual Giving Campaign** continues. Shortly, you and your neighbors will be receiving a 2024 brochure, highlighting the programs and activities that are offered here, year-round, at your senior center. Please encourage all you know to donate what they can to our very worthy non-profit organization. We are counting on you, as you have done in the past, to get the word out! All monetary donations are very much needed and appreciated and will be put to very good use to continue to improve the center and its services. We very much want to continue our level of service and commitment to our seniors in the Camden/Wyoming and Dover areas as well as our surrounding communities. A huge **Thank You** to all of those who have already donated to the 2024 campaign.

Lastly, thank you to all of our volunteers who helped on our very first Pancake Breakfast on October 8th! It was a great event!

Hopefully our trip meeting on November 15th will produce many exciting new ideas for 2025. I will be working on many of the ideas through the end of this year and get some of the details printed in our newsletter beginning in January/February 2025.

Keep in mind that upon Signing Up for any trip requires a \$50.00 Deposit per person. Each trip flyer will also have a time deadline when **all final payments are due** to me. If these dates are not met I cannot hold your reservation. If I have a waiting list your name will be removed and someone from the waiting list will get your ticket.

Local Day Trips costing \$25.00 or less will need to be Paid-In-Full when you are sign-up. No refunds if you cancel, unless your ticket can be sold.

Travel Insurance is recommended for overnight trips. For those who choose not to purchase travel protection insurance you will be asked to sign a waiver. Travel Insurance premiums are non-refundable.

Looking forward to an exciting 2025!!!

NOVEMBER 2024 REPORT

GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT COMMISSIONER, 5th DISTRICT

Did You Know....?

Kent County Commissioners do not make decisions on their own. Decisions made by Commissioners are very much dependent on the will of the people who elected us. Yes, we are elected during partisan elections. Yes, we are elected by party, and run campaigns supported by parties. But in each of our Levy Court Districts, no party has a majority, and no elected Commissioner can be elected without voting support from those who do not claim a party or those in the other party. Kent County Levy Court is as close to non-partisan, or more positively, bi-partisan, a government can be. Decisions we make have nothing to do with the national issues associated with immigration, gun control, or reproductive rights. But, decisions we make are on issues very close to our constituents issues. Here is what you may not know. Beyond voting the will of our constituents, we depend on many advisory committees to guide our decisions. Each Levy Court Commissioner is given an appointee for those committees. Personally, I have always sought the best candidates as my appointees to those committees, seeking those who have experience in the issues they will face. The Regional Planning Committee hears issues concerning zoning and planning in the County resulting in advice to the Levy Court Commissioners on those issues. The Board of Assessment Review hears issues concerning tax assessments on County properties. The Library Advisory Committee advises Commissioners on libraries and their support in our County. The Board of Adjustment hears issues concerning homeowners and builders requests for variances from County Ordinances. The Parks and Recreation Advisory Committee advises Commissioners on the expansion and rules of County parks and the availability of recreation programs in Kent County.

The Community Development Advisory Committee advises the Commissioners on the use of hundreds of thousands of dollars of Community Development Block Grant funding, which is used to address blight in our County.

The Community Board of Appeals Committee hears appeals from those who are cited for violations from our Inspections and Enforcement Department.

The Regional Sewer Advisory Board guides decisions that have to do with the County Wastewater Recovery Facility and hundreds of miles of wastewater collection pipes from every town in the County, and many subdivisions.

The Personal Administration Board hears issues concerning Kent County employees, such as grievances that have to do with their jobs.

These committees all have appointees from each Commissioner. But this isn't all. We also depend on others, such as the Dover Kent County Metropolitan Planning Organization (MPO) Technical Advisory Committee, the MPO Public Advisory Committee, MPO Council, Kent Aeropark Advisory Committee, the Kent County Regional Sports Facility Corporation, the Coastal Zone Committee, the Delaware Civic Center Corporation Committee, and the Pension Review Committee. All told, there are more than 100 non-elected experts who provide advice to Commissioners and your Kent County government on nearly every issue we face.
