#### From Your Executive Director Tom Bones

Notes From Your Activities Director Diane Amoroso

Fall has arrived! Warm, sunny days, and chilly nights mean that it must be October. It is a new month and a new season and there are so many new things going on here at The Harvest Years Senior Center! Please come in and celebrate Autumn with us!

Staying well and healthy is always top priority for all our members. Flu shots will be offered on Wednesday, October 1st here at the Center. In addition, the RSV shot and a booster shot for Covid will also be available. All those interested in this service must sign up as soon as possible. You may stop by or simply call the Center. Timeslots are available from 9 AM to 12 Noon.

A cup of soup sounds delicious as we welcome in the new season. Perhaps a quart would do the trick for a weeknight or weekend dinner. Our Soup-to-Go program is back! For the upcoming Fall & Winter months, beginning, Monday, October 6th. You may call in a soup order to enjoy here, in house, or to take home. Traditional Broccoli Soup is our first soup of the season.

Our Pancake & Sausage Breakfast is on Wednesday, October 8th. All you can eat for \$8.00 per person. Encourage your family, friends and neighbors to join us as well. Stop in and purchase a ticket or two. Pancakes will be served from 7:30 AM to 9 AM. Look for our flyer inside our Newsletter, and on our Facebook page. We will need some additional volunteers to help with this event. Please help support our Center.

The Harvest Years Annual Giving Campaign is getting ready to roll out for 2025. As always it will run from October through the Holiday Season. We will again be reaching out to all or our members, your closest friends and family members, the Camden/Wyoming community, the Dover Community and our nearby neighbors. Many, many thanks to those of you that have already offered to help behind the scenes for this year. This is a huge but very vital campaign for us. Many hands lessen the load so please let me know if you are willing to help out.

Lastly, thanks again to all of our members and Board members who attended, enjoyed and helped out during our Annual Fall Outdoor Picnic. It was a great day, with great people. Thanks so much to all of you who helped with the preparations and with the cleanup. A special shout out also to Do-Wop DJ, Tim Sullivan for providing the musical entertainment. It was really a nice time for everyone.

Other ideas that were discussed at our craft class meeting are making sun catchers out of old CD Discs, starting on October 7th. Also, decorating cloth bags, plain greeting cards with decorated envelopes, and using close pins to be used in many different artistic ways.

So many great ideas for us to work on in the upcoming months. You are welcome to stop into any one of our classes and join the fun at being creative!!

# DIRECTOR'S REPORT OCTOBER 2025

Welcome to *Fall* and a happy respite from those hot summer days we have all endured. Moving into harvest season of course carries special meaning for us at Harvest Years Senior Center.

As you know we have been quite busy at the center working to make a more attractive facility for all our members. All four bathrooms have been re-painted making them brighter and fresher. The ceiling in the great room has been patched and repaired so we can paint it and the walls. We apologize for any inconvenience and we will endeavor to keep these to a minimum. Once the work is completed we will replace the chairs and put in a shuffleboard table.

The Board encourages members to consider the trips we offer. Our Activities Director, Diane Amoroso, does a wonderful job scheduling and leading these adventures. If you have never signed up for one of these, talk to those who have. Ask about the incredible lunch we had on the Mystery Trip in July at the Suicide Bridge Restaurant after a relaxing paddle boat ride down the Chesapeake River or the fantastic performance we saw at "The Buddy Holly Story" we attended at the Dutch Apple Theatre in Lancaster, PA., or the enjoyable Sunday afternoon Shorebirds game in Salisbury. Diane has trips planned for November to Irving Berlin's "Holiday Inn" show and next year to see "Oklahoma", "Pretty Woman", and "Holly Jolly Holiday". Diane has also been looking into another Mystery Trip in 2026. If we can get back to pre-Covid days of filling the bus for these day trips, we can look again at offering longer, overnight excursions. Be sure to check our monthly newsletter for information on these and other center activities.

As always, we look forward to seeing you around the center.

#### **OCTOBER 2025 REPORT**

# GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT COMMISSIONER, 5th DISTRICT

#### And so it continues.....

As the bills for 2025 Property Taxes are sent out for all three counties, the misinformation about how reassessment occurred continues. One of the most absurd is that Tyler Technologies somehow chose little Delaware to start assessing properties of prominent citizens and businesses lower than regular residential properties. I am not here to do an ad for Tyler Tech, but they were chosen for the expertise in assessing properties. They have completed assessment of more than 34,000,000 properties globally. After being in business for 85 years, it is very unlikely that they would put their entire business at risk by doing something so illegal.

Another rash of misinformation and conspiracy theories was about how one party received preferential treatment in their assessments. From wars to tax increases, whomever the majority party was in charge at the time receives the blame. In the case of reassessment, neither Democrats nor Republicans had any decision-making responsibilities. For this reassessment, more than 65% of county, state, and statewide elected officials saw increases in their property taxes. A study of more than 300 properties in just my district showed the exact same fact, regardless of status or position: 65% saw increases in their property taxes.

In fact, the Legislative branch of government, which includes the State House of Representatives, the State Senate, County Councils and Kent County Levy Court, did not decide to perform a reassessment. The judicial branch, in an attempt to solve inequities in school funding across districts, imposed this reassessment. We have yet to see how that will play out.

Another conspiracy theory, or at least some comments by those who project demise when they disagree with government actions, is that many people were going to lose their homes due to the property tax increase. Here in Kent County, as I am sure we will see in the other two counties, we have not experienced an increase in collections of people who can't pay their taxes, nor the loss of one's home. Kent County, and the other two counties, will work with any property owner to settle their taxes over time.

Along with that, another conspiracy theory is that this is a land-grab by the counties. The counties are not interested in owning real estate. Do we own land? Sure! But it is used for the good of all residents, such as the Wastewater Treatment Facility in Frederica, or vacant land we hope to be resold for economic development, but in no way are we interested in a homeowner's property.

Without a doubt, property values have increased since the last full assessment was done in any county in Delaware. But over the decades, assessment was still fair and equitable. After this reassessment, it will continue to be fair and equitable. None of us likes taxes, whether it is an income tax, sales tax, property tax, tariff, gas tax, or gross receipts tax, but in order for government to be successful in caring for the needs of every person, they are necessary.

# Ladies Breakfast Monday, October 20, 2025 9 A.M. BOB EVANS RESTAURANT CAMDEN, DELAWARE

Wow!! It has been too long since our last Ladies Breakfast.

I truly miss seeing all my friends from Barclay Farms and Harvest
Years Senior Center. We unfortunately had a few problems
getting our Newsletter out on time for the last several months
and that caused me to cancel our morning breakfasts.

I hope this month we can get together and enjoy our time sharing ideas, lots of laughs, upcoming trips in 2026 and indoor activities at Harvest Years. I have spoken to several ladies to join us as a guest speaker, but as of this message I have not decided on who will be joining us. No matter who can be with us, their of topic of conversation should be of interest to everyone.

Please call Diane by OCTOBER 15th if you are planning to attend.

I need to give the restaurant a head count.

#### <u>Laughter Is The Best Medicine</u> <u>Delaware Logic</u>

A man and his wife moved back home to Delaware from Arizona. The wife had a wooden leg and to insure it in Arizona was \$2,000 a year!!

When they arrived in Delaware, they went to Sven's Insurance Agency to see how much it would cost to insure the wooden leg. Sven looked it up on his computer and said to the couple, \$39.00. The husband was shocked and asked why it was so cheap in Delaware, because it cost \$2,000 in Arizonia. Sven turned his computer screen on and said, "Well, here it is on the screen, direct from Ole's Delaware Fire Insurance Company. It says, any wooden structure, with a sprinkler system over it, is \$39.00.

I always did find Delaware logic far superior to most others.
