Wonderful Mother

God made a wonderful mother,
A mother who never grows old;
He made her smile of the sunshine,
And He molded her heart of pure gold;
In her eyes He placed bright shining stars,
In her cheeks fair roses you see;
God made a wonderful mother,
And He gave that dear mother to me.

(Pat O'Reilly)

And Grandma's too...

While we honor all our mothers
with words of love and praise.
While we tell about their goodness
and their kind and loving ways.
We should also think of Grandma,
she's a mother too, you see....
For she mothered my dear mother
as my mother mothers me.

May days are here! We have plenty of spring activities planned here at The Harvest Years to keep us busy as bees. All are guaranteed to put a little spring in your step, so please join us.

We will celebrate and remember all of our mothers and grandmothers with a special *Mother's Day Luncheon* on *Tuesday, May 7th*. A delicious meal and a special gift for all of our special ladies is on the menu. Gentlemen, please join us as well as we celebrate these great ladies that we are lucky to have in our lives.

May, 2024 is also when we recognize and celebrate *Older Americans Month*. This year the theme will be, Powered by Connection, which recognizes the profound impact that meaningful and social connections have on our health and well being. We will explore the vital role that being connected plays in supporting our independence and again in place, by combatting isolation, loneliness and other issues.

Our recent fundraisers have been very successful, thanks to all of you. Our Easter egg sale exceeded 150 eggs sold in April. Thank you to all of our hard working bunnies!

Please join us this month for two big events. *On Friday, May 10th* we will host our semi-annual *Spaghetti Dinner Fundraiser*. Tickets for this event are \$12.00 per dinner.

Friday, May 17th will be our *Spring Picnic at 11 A.M.* Call and reserve your space now and plan on coming out and enjoying all the fun.

Our *Memorial Day Tribute* will be held on *Friday, May 24th at 11:30 A.M.* Please come and honor our military service men and women and join us for lunch that day following the ceremony.

We are creating a section in our *Harvest Years Newsletter* as well as online on our website for our members to list or post any classified ads. Members can sell items, offer services, request services or list items that you may be in need of. There will be no fees. All that will be required is that you submit an ad and we will post it in the following months newsletter, or the current website. Have questions? Please ask.

**Enjoy all of this beautiful weather and may all of those April showers bring plenty of May flowers. To all our Mothers and Grandmothers,
Happy Mother's Day from The Harvest Years!**

Memorial Day Tribute
May 24, 2024
11:30 A.M.

You are invited to join us for a very special Tribute to thank all our Veterans for their dedicated and unyielding love & service to our country.

*Today we are here
Honoring American Veterans
Past, Present and Future.*

Thank you for your faithful service!

~~~

*Memorial Day* has come to mean the beginning of summer, a time for picnics and barbecues, and a holiday to gather around the family. That happiness and freedom, however, is a product of the real cause for the holiday: the sacrifices made by men and women who have fought and died for the freedoms and liberties Americans hold dear. *Memorial Day* is a time to remember that the American way of life is not cheap but rather has been purchased by the lives and blood of so many who have sacrificed for us to live free and happily now.

Happy  
Mother's  
Day!

*MAY 2024 REPORT*

**GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT  
COMMISSIONER, 5th DISTRICT**

## **Economic Development**

One of the most important responsibilities of the Kent County Levy Court Commissioners is to promote Economic Development in our County. Consider this: we are slowly but assuredly changing into a community of those escaping high property and sales taxes in other states. At the same time, we continue to have those who are raising their families here, and like me, would like their children to find good paying jobs close by to stay close, and not have to move long distances away. It is a contradiction that is hard to rationalize: How do we maintain the reasons that newcomers chose Kent County as their Forever Home as opposed to maintaining the quality of life for children to seek Kent County as their Forever Home?

Attracting small businesses in retail does not provide the high-paying jobs that graduating students want, only manufacturing jobs, tech jobs, or white collar jobs will do that. In order to attract those high-paying employers, the County must make the region attractive to them. Most businesses looking to re-locate are looking at those services such as access to rail or interstate transportation. They will be looking for services that their employees will need, such as access to good schools, medical services, entertainment venues, and transportation, albeit just easy travel to those services.

So, how do we do that? Linda Parkowski and Zach Prebula from the Kent Economic Partnership (KEP) are on the case. KEP is responsible for attracting more than 1400 new jobs in 35 new or expanding businesses who spent nearly \$300million in Kent County. These are manufacturing jobs that chose Kent County because of the needs that we are able to satisfy: transportation, employee services, and location, location, location.

Moving forward, KEP is working with Kent County Commissioners, our municipal council people, and State Legislators to continue these efforts. This means addressing schools to continue educating students in those skills needed to support further manufacturing expansion. This means addressing land use decisions to make sure that new industries have areas that they can build without adversely affecting residential areas. This means making sure that land near rail lines is available for industrial expansion. This means having available workforce or affordable for first-time home buyers and employees moving here to work.

To that end, according to the most recent presentation at the Kent Economic Forecast breakfast, KEP is working on two dozen or more active projects that could bring more than 660 new jobs, and more than \$356million in spending in Kent County for new or expanding businesses. And KEP continues to ramp up their efforts with studies of a Rail Corridor Safety, an East-West Freight use, among others that will further address the needs of businesses looking to relocate here.

And Kent County Commissioners continue to do their jobs to advocate for a better county and to balance the needs of businesses, parents, children, schools, and seniors. Our ordinances help schools address space issues. Our policies improve parks and recreation. Our taxes attract those seeking to avoid high property taxes elsewhere.

Meet Oscar Sebastian at 10 AM-12 Noon on the third Tuesday of each Month during 2024. If you are 50 years old or older, Oscar can answer any questions you may have about the **SNAP Program** or he can assist you in filling out the required application.

Seniors that are receiving Medicare may be eligible for Medicaid if their income is below the specified income limits. Seniors not yet eligible for Medicare may be eligible for **Adult Medicaid** which has higher income limits. The income limits will be discussed during the **SNAP** application process.

When approved for **SNAP**, an **EBT** card is sent to the **SNAP** applicant. **EBT** cards resemble debit/credit cards. Applications for **SNAP** can be submitted to the Outreach Coordinator at several local Senior Centers across Kent County including Harvest Years Senior Center in Camden, DE.

When applying for **SNAP**, the following verifications are necessary: Social Security Card, Government Picture ID, Medicare Card, Birth Certificate, all current utility bills, out of pocket medical expenses and verification of all income being received. Social Security Award letters must also be submitted.

The MMC SNAP Program coordinator can also help with renewals and Periodic Reports. Any person 50 years or older living in Delaware can contact Oscar Sebastian at 302 734-1200 ext. 174.
