The Harvest Years is ready to kick off the *Summer of 2024*! We are looking forward to the return of our Ice Cream Socials, root beer floats, barbecues, and plenty of fun in the sun!

On *Wednesday, June 12th*, please join us for a day of celebrating Dads. Make a reservation today for our *Annual Father's Day Luncheon*. Free root beer floats are included in the lunch price for all our Dads and Granddads in attendance.

A special *Thank You* goes out to our members and our staff that helped out at our Spaghetti Dinner and Our Spring Picnic in May. Judy, Valerie, Bill, Dot, Gary, Jack, Russ, Sandy, Marguerite, Eva, Louise and Merly, Thank You all so very much for your help and your time. Next up is our Yard Sale on June 1st. Please let us know *ASAP* if you would like to volunteer to help out.

Our *Garden Boxes* are up and planted. Thank you to Bill Burke for taking the lead on this project. If you also would like to help out with the garden's upkeep, please call the front desk and leave your name and number.

With the hot summer months quickly approaching, now would be an excellent time to take advantage of our technology information program. This air-conditioned, indoor activity can get you updated on your smart phone, i-pad or tablet so that you can better stay in touch with your family and friends. Give us a call and we would be happy to help with your technological needs. We also have tablets here at the center for you to use and learn on.

A quick note on looking ahead....We have scheduled our *Annual Fall Craft Fair* on *Saturday, November 9th* from 9 AM to 2 PM inside the Center. Homemade crafts of all kinds; jewelry, ceramics, crocheted items and so much more. If you would like to participate, we are always looking for more crafters. Please call Diane to sign up.

The fiscal year for the *State of Delaware* comes to a close at the end of June. I hope you will again join me in thanking Mr. Trey Paradee, Mr. Lyndon Yearick and Mr. Jody Sweeney for their continued legislative and county support for you and our Senior Center. They have regularly updated us on all of the state and county conversations and policies that may affect the future of our Center. This is also a great time to remind all of our Senators and Representatives at all levels that we need them on our team all year long! Their continued effort on our behalf keeps our Senior Center running and thriving.

Stay cool and enjoy the warm sunshine! Tom

WELCOME, LINDA CHIARA

Linda has been a member of Harvest Years Senior Center for the past 5 years. She has participated in many events, trips, and activities but expresses that

ARTS , CRAFTS , and CERAMICS

have been her favorite things to take part in as she has always enjoyed being creative. Linda has learned a lot about the process of ceramics including different finishes and techniques.

Linda has volunteered to offer a ceramic class once a week on Wednesdays from 9:30 AM to 11:30 AM.

If you are interested in participating and learning about the craft of ceramics, please call **DIANE**, our Activities Director for more information.

Classes are open for beginners and advanced members of Harvest Years.

JUNE 2024 REPORT

**GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT COMMISSIONER,
5th DISTRICT**

APFO's

One of the actions of Kent County Levy Court that occurred over 15 years ago was the approval of the Adequate Public Facility Ordinances (APFO's). These ordinances addressed the impact of development on infrastructure, including roads, water systems, schools, and paramedics.

The Paramedics and Schools portion of the APFO's was simple. An impact fee was assessed that would direct funding from the developer to the Kent County Paramedic Services and to the local school district. Millions of dollars were directed to schools that helped with capital construction that was required to support the growing population of students due to new houses. School funds were shared when the school had a state-approved capital cost, such as adding classrooms. The School APFO funds could not be used for operating costs.

The School APFO was eventually supplanted by the School Surcharge Ordinance, which directed surcharge fee to the local district without the need for a capital fund request and could be used for a wider array of district needs. This made the Schools APFO obsolete.

The Water APFO was intended to ensure that a viable source of water was available in new subdivisions for our local volunteer fire companies to fight any fire without having to worry about bringing a tanker to every fire. The Water APFO was supplanted by new code in the Construction section of County Code, as well as Fire Marshal enforcement, making this APFO obsolete.

Finally, the Roads APFO was intended to ensure that any impact on local roads was mitigated by the developer by improving the roads around the subdivision, or by decreasing the number of units to keep a Level of Service as defined by the code. If the new subdivision caused an increase of 50 peak hour trips per day, a Traffic Impact Study was required, which could be expensive, but would identify those roads or intersections that needed to be improved. When the Roads APFO was approved, the Delaware Department of Transportation (DelDOT) had not developed their current manuals for road improvements. But Kent County Planning worked closely with DelDOT to ensure that local roads received the attention they deserved to limit impact.

Unfortunately, the Roads, Schools, and Water APFO's were removed from County Code at a recent Kent County Levy Court meeting. By a vote of 4-3, these three ordinances, whether they were obsolete or still served some purpose, were considered a hindrance to development. Schools and Water APFO's were obsolete. But Roads APFO's could have been adjusted to allow for better communication with DelDOT, added exclusions for small businesses that have little impact or redevelopment of an existing site that had already mitigated traffic impact, or increased the authority of Kent County to waive a Traffic Impact Study after conferring with DelDOT. Alas, it was not to be so.

I was one of the "NO" votes. I have run every campaign on "Infrastructure Before Development", and the APFO's, especially the Roads APFO, was the best tool Kent County had to battle traffic congestion.
