FALL BACK - 1 HOUR  
2 AM - NOVEMBER 1ST

## Happy Thanksgiving

Fall 2020 has officially begun! This is one of our favorite seasons here at The Harvest Years. November, as always, will bring us many days to celebrate, activities to share, and opportunities for us all to give back.

Our holiday festivities will kick off with our “not-so traditional” Thanksgiving Luncheon, November 18th. Due to Covid-19 precautions, this luncheon will look a bit different this year. Reservations must be made ahead of time, as all orders will be to-go. The time for either pick-up or delivery will be 11:30 AM - 1:30 PM.

Our Annual Spaghetti Dinner is scheduled for Friday, November 20th, and will also be a to-go event. Reservations must be made ahead of time and pick-up or delivery will be scheduled between 3 PM - 5 PM. This annual event has always served as an excellent fundraiser for our center. Funds raised will be earmarked for our Food Program.

I hope you have had a chance to check out the Virtual Social Platform that we introduced a few months ago. It is a fun site for seniors! There you are able to meet many nice people from around the country. Just log onto Highway61.com, which is an audio platform that allows seniors to engage, learn and support one another. This site has a weekly calendar that includes trivia, bingo, and group chats on a variety of topics. If you have any questions, please call or e-mail us here at the Center.

November. As always, brings us to our *Annual Giving Campaign*. Shortly, you and your neighbors should be receiving a 2020 brochure highlighting the programs and activities that are offered here at The Harvest Years, year round. All of the donations that we receive are very much appreciated, and are put to good use to continue our level of services to area seniors. Thank you to those of you who have already given. If you, or any one you know needs additional information about the campaign, please reach out to me.

My Sincerest Wishes to you and your families for a very

HAPPY THANKSGIVING

Activities Director

## OUR AMERICAN FLAG

Have you ever really looked at our Flag? Looked at the colors of Red, White and Blue? Next time you're near an American flag or it passes you by, take pride in the colors as they shine in the light.

When you say the Pledge and cover your heart you can feel the great pride we've had from the start. When the men threw tea in the Boston Harbor.

When Molly Pitcher gave water and food from her larder, our Flag has meant pride, love of country and more of our women and men serve with valor.

And sure, some are disabled, some even killed in a war. They sacrificed much when our Flag and Country did call. They even stood guard when some built a wall.

Through all of our troubles our Flag was there. Now I ask you most humbly, please try to care. Care how you wave it, care where it flies. Display it most proudly and then with your eyes watch it wave on a flagpole, up in the sky.

When you've served your country in so many ways the Flag honors you when on your coffin it lays. The person inside always loved it.

### Let's pray.

Let's pray for their souls and their loved ones and more.

Let's pray for our Country, our Flag and our poor.

Let's pray for our children. For each girl and boy. Let's teach them respect; Our Flag is not a toy.

Let's teach them to love Country, Flag and each other. To serve our great country. To Honor Father and Mother. To listen when Uncle Sam says "I Want You". To respect our flags' colors of Red, White, and Blue. To remember some of what I've said here today. To remember, it's all part of

**George "Jody" Sweeney, Kent County Levy Court Commissioner, 5<sup>th</sup> District**

**Your County Taxes, Exposed!**

Kent County's Tax season has just closed. This is not one of the fun seasons, like Fall, Summer, Football, or Hockey. No, this is tax collection season for Kent County services. Levy Court has maintained a low tax rates for nearly 30 years.

Kent County is a haven for many new residents who retire here to escape high property taxes in the states they came from. I have heard horror stories from newcomers paying \$10,000 to \$15,000 in property taxes before moving here. Moving to Kent County results in an 80-90% reduction in their property taxes, as well as tax-free shopping. These are great for when you switch to a fixed retirement income.

Have you ever looked at your tax bill? About 40% of tax bills go directly to their mortgage company. The average property tax bill in Kent County is about \$1100, which includes County, Library, Public and Vocational School taxes. This number does not include those subdivisions that have County trash pickup (about \$312) or Street Lights (about \$50).

On average, 87% of your property tax goes to your local public and vocational schools. This tax rate is set by referendum or adopted by your local Board of Education. That is why it is important to vote for school board elections and referendums. The average school board election draws about 8% of registered voters. A referendum vote averages less than that, even with very contentious issues, like new construction or operating increases.

Depending on the value of your home, most county taxes run between \$67 and \$512 per year. This county revenue helps to fund the Paramedic and 911 Services, Parks and Recreation, Planning, Inspections, and Zoning Offices, the Library, Row Offices (Sheriff, Wills, Clerk of the Peace), and all of the business offices.

But wait! There is some help for those who need it. Senior Citizen homeowners (over the age of 65), can apply for a Senior Tax Credit of 50% of the School Tax, up to \$400. To be eligible, you must be 65 by June 30 of the tax year you are applying. There is a residency requirement and you must apply by April 30. You need only apply once, unless something changes, like you move or the death of a partner.

There are also two property tax exemptions; An elderly exemption is based on age and income, and the military disability exemption is for property owners with a 100% disability. The elderly exemption is on the first \$25,000 of the tax-assessed value of your home. The military disability exemptions is on the first \$30,000 of the tax-assessed value of your home. There is an income limitation of \$18,000 for single homeowners and \$24,750 for couples homeowners, as well as living in Kent County for five years before applying for the discount. For these exemptions, you must apply each year and the application is due by April 30.

Contact the Kent County Tax Office at (302) 744-2341 for more information or if you have questions. They are here to help.
