## From Your Executive Director Tom Bones

HAPPY GROUND HOG DAY  
FEBRUARY 2nd.....  
NO SHADOW?  
EARLY SPRING!!!!

I hope this February finds you warm and well, keeping away the winter blahs and the pandemic bugs!

This month, if you are 65 years old or older, you should be able to receive the Covid-19 vaccine. Our state is now in phase 1b of the vaccine roll-out and our senior population is the priority. We are working with agencies to increase supply and availability specifically to our members. Until then, please continue to fight community spread of the virus. Avoid gatherings, wear masks, and continue to wash your hand frequently. Stay vigilant and we will get through this together.

On Friday, February 12th, when we would normally have our special *Valentine's Day Luncheon*, we will be celebrating our members differently. If you order a lunch to be delivered that day, your name will be submitted for a chance to receive a free lunch and a special Valentine surprise. This will be a random drawing, but you have to be in it to win it! Please don't forget about our *Mid-Winter Soup Festival* that day as well. More info on soup selections and details to come.

We have our fingers crossed that we will be able to kick-off tax season on March 1st, 2021. Due to the host site and AARP restrictions required by Covid-19 protocols, the Tax Aide Program has made some changes to its services. Only seniors, age 62 and over, will be allowed to use this service this year. Please see the insert for more information.

**Very Important:** Your 2021 Harvest Years Membership Dues were due to our office as of January 1, 2021. If you haven't already done so, please call us at 302 698-4285, stop in to the reception desk ASAP, or simple mail us a check to 30 South Street, Camden, DE 19934. Please keep your membership current so you do not miss out on all the advantages of being a Harvest Years member. Dues are only \$20.00 per person for the year.

I am so pleased that our *Annual Giving Campaign* was a great success. Please join me in sincerely thanking our fellow members, neighbors, friends and family members within the Camden-Wyoming and Dover communities for all of their generous support. We are so grateful for your continuing generosity!

Please do not forget in this winter season to check **WBOC** for any center closings or delayed openings due to inclement weather.

Stay safe! Tom

♥ Happy Valentine's Day ♥

## Notes From Your Activities Director

This month also brings us many celebrations. We celebrate the *Birthdays of President Lincoln (February 12th)* and *President Washington (February 22nd)*.

Please know we are with you in prayer and we are here for you.

CELEBRATE  
**BLACK HISTORY MONTH**

**February is Black History Month in USA and Canada. In the UK, it is Celebrated in October**

**Black History Month** got its start in 1926 when Dr. Carter G. Woodson, an African American, promoted Negro History Week in February. The time was selected because it included the birthdays of Frederick Douglass and Abraham Lincoln which had been notable dates for the black community since the start of the twentieth century. Also known as African-American History Month, it was first observed by students and faculty at Kent State University in 1970. In 1976 it evolved into a month-long celebration in 1976 and became a national holiday when President Gerald Ford recognized "the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history" in a speech to mark the United States Bicentennial. It is a time for all Americans to reflect on both the history and teachings of African Americans, and to focus on the progress, richness and diversity of African American achievements. Black History Month has no overall coordinating body - anybody can organize an event. Consequently, every year sees an eclectic mix - from historical walks to seminars - organized by, for example, local authorities, schools, and voluntary organizations. Today Black History Month is celebrated not only in the US, but around the globe by five different countries.

FEBRUARY 2021 REPORT

GEOGE "JODY" SWEENEY, KENT COUNTY LEVY COURT COMMISSIONER, 5th DISTRICT

**Senior Center Transportation Disbursement**

Were you aware that Senior Center Transportation Services are funded through donations, very minimal fees, and hundreds of thousands of dollars passed through Kent County Levy Court from the Delaware Transit Corporation (DTC).

Each year, for the last 18 years, DTC provides funds and authorizes Kent County to divide those funds to senior centers for the transportation of seniors and members from home to shopping, doctors' appointments, and to their respective senior centers. Each Senior Center can structure their programs to suit the needs of their members, so some have one or maybe two vans, maybe a bus or two, or maybe even a fleet of buses.

To make this distribution fair, each of the six senior centers in Kent County, as well as the Kent Sussex Industries, are required to submit a budget of their transportation needs. Each budget submission details the Senior Center costs for their transportation program. They provide costs like fuel and vehicle service, insurance, personnel costs, and any revenue they received to help offset their costs.

Kent County officials, not the elected type, but actual hard-working employees, then compare the budgets and each Senior Center's needs against the funds that are made available. Our Director of Finance Susan Durham and Count Administrator Mike Petit de Mange have been doing this together for many years. They arrive at a recommended distribution to the six senior centers for Levy Court Commissioners to consider. Their recommendation for each senior center was determined by either the FY2020 Actual Expenditures with a 2% Adjustment, or the 3 Year Average Expenditures with a 2% Adjustment, whichever is greater. Whichever method works best for a particular Senior Center is what is used.

This year, a total of \$639,400 was recommended for distribution to the six eligible senior centers in Kent County, with the complement balance going to the Kent-Sussex Industries to assist them with the great work they do in our County with those with disabilities. As requested by DTC, the \$50,000 additional allocation for Modern Maturity Center is included in the \$647,438 recommended distribution.

For the upcoming 2021 year, funds were provided like this:

Mamie Warren Senior Center, Inc.	\$30,000
Modern Maturity Senior Center	\$259,000
Harvest Years Senior Center, Inc	\$90,000
Frederica Senior Center	\$90,000
Harrington Senior Center, Inc.	\$30,400
Milford Senior Center, Inc.	\$90,000
Kent-Sussex Industries, Inc	\$8,038
MMC Special Distribution in State Budget	<u>\$50,000</u>
Total	\$647,438

So the next time you need a ride, or you happen to be on the way to your doctor on your local Senior Center's bus or van, remember this: The Delaware Transit Corporation and Kent County Levy Court work together to make sure that the ride is either free or a very low cost. We understand that many of you live on limited income and we work hard to make sure that there are no extra costs that affect your quality of life.

Board of Directors  
President, HYSC*

Due to the recent unfortunate passing of fellow Directors, Richard Reynolds and Dick Bewick, our Board is currently two short of our By-Laws mandated of nine Directors.

If you are a dues-paying member and would be interested in helping provide leadership and direction to the center, please submit a one-page letter of application telling us about your background and what assets you believe you would bring to the Board.

Address the letter to the center and mark to my attention. New Directors must be approved by a vote of two-thirds of the current Directors. We currently plan on doing so at our **April Annual Meeting**. One directorship will be a three year appointment; the other will be a one-year term.
