In Memoriam

THE HARVEST YEARS BOARD OF DIRECTORS AND OUR STAFF SEND OUR SINCEREST CONDOLENCES TO HARVEST YEARS' MEMBER TOM MAHONEY AND HIS FAMILY, ON THE LOSS OF TOM'S WIFE MARIA, ON JANUARY 17, 2021. MARIA TAUGHT THE CERAMIC CLASSES AT HARVEST YEARS. MARIA WILL BE MISSED BY EVERYONE.

From Your
Executive Director
Tom Bones

Easter Blessings

*May your home be
Filled with Love this
Easter Season*

At last! Spring of 2021 has sprung! Our clocks have moved forward and we have more daylight to enjoy. We are all looking forward to enjoying sunny, warmer days.

We have come so far in the past year....a year ago we were talking about possibly having to close down. Today we are continuing to vaccinate those over 65, that wish to be. Please contact your Primary Care Physician to get more information about getting the vaccine if you haven't already done so.

The **AARP Tax Service Program** will continue through April. The Internal Revenue Service has announced that the Federal Income tax filing date for individuals for the 2020 tax year has been extended from April 15th to May 17th, 2021. If you have not yet and would like to, please call the front desk as soon as possible to schedule this service.

April will bring our annual **Spring Clean-up**. We will be working outside over the next few weeks to spruce things up. Please, if you have any ideas, or would like to help out, with your time and talent or a flower donation, let us know. You are all welcome to help brighten up The Harvest Years!

FYI: Meal delivery and pick-up will continue through the month of April as well.

We are looking ahead to plan our annual **Yard Sale** in May. If you are interested in joining us, please let us know. It will be a great day to sell your treasures. Do you have some things you would like to donate? We would be happy to take them off your hands. Give us a call.

Lastly, I would personally like to thank our "essential workers". These staff members have carried us through the last year and I am so grateful! Please join me in thanking Diane, Judy, Valerie, Marguerite, Albert, Bill, Russell, Dorothy, John, Caroline, Regina, Ron, Catherine, Lauren and Barbara. They have each done an outstanding job keeping us afloat. They have made sure that our members are safe and fed. Please thank them when you see them.

Stay safe and enjoy the nice days ahead!

Notes From Your
Activities Director
Diane Amoroso

April 1st is April Fool's Day - Have a 'fun' day playing a trick on your best friend, a co-worker, a neighbor, a relative or even your spouse. Just be sure it's all in the name of fun!!

Let's Celebrate Easter on
Sunday, April 4th

*May Christ's glory and
the promise of this
joyous time of year,
bring peace and
happiness to those
you hold most dear.*

We have been trying to have as many members as possible receive the Covid-19 vaccinations during the past six+ weeks. It has been challenging to say the least. There are still many people who have not been vaccinated and with that being said we are going to keep our trips on the back burner at this time. Many of the theaters are not open for shows and social distancing is still an important issue. Keeping everyone safe is our top priority in these troubling times. I will keep you updated monthly and as soon as possible we will re-instate our canceled trips from 2020. There were so many fun trips scheduled and we will try and take these same trips ASAP.

I look forward to seeing all of you very soon!

Easy Ham & Cheese Quiche

What You'll Need

- 1 refrigerated pie crust (from a 14.1-ounce package)
- 2 cups shredded Swiss cheese
- 2 cups shredded Cheddar cheese
- 1 1/2 cups diced cooked ham
- 4 eggs
- 2 cups half-and-half

WHAT TO DO:

1. Preheat oven to 350 degrees F. Place pie crust in a 9-inch deep dish pie plate and flute edges.
2. In a medium bowl, combine Swiss and Cheddar cheeses; mix well. Place half the cheese mixture in the pie shell, then top it with the ham and remaining cheese.
3. In a small bowl, whisk eggs and half-and-half; pour evenly over top.
4. Bake 50 to 55 minutes, or until center is set. Cool 10 minutes before serving.

NOTE: Swiss and Cheddar cheeses are traditional for quiche, but you could certainly use a combination of whatever kinds you've got left over. You could start a tradition of having a different flavor combination every time you make it!

APRIL 2021 REPORT

GEOGE "JODY" SWEENEY, KENT COUNTY LEVY COURT COMMISSIONER, 5th DISTRICT

Bodily functions. Everybody has them. Most know what happens when you flush your toilet, wash your dishes, take a shower, or brush your teeth. Everything goes into a pipe and is washed away from your house. For most, that is all you know and all you really care about. But, there is so much more.

For those on their own sewer system, waste water goes into a tank where the solids gather, but the liquids drain off and go into a drain field to be filtered back into the Earth.

But for every Kent County household in a municipality or in subdivisions that are connected to Kent County's Sewer District #1, all waste goes to a single location: The Kent County Regional Resource Recovery Facility (KCRRRF) located in Frederica, Delaware.

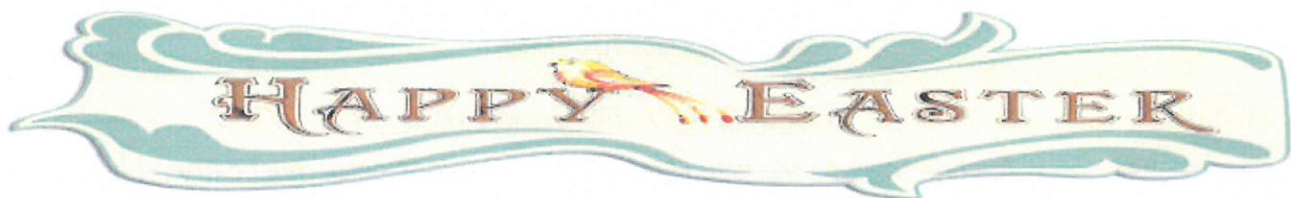

In both of these situations, you are benefitted by the KCRRRF, better known as the Wastewater Treatment Plant. If you have your own septic system, you should be getting it pumped every 2-3 years to remove the solids that cannot dissolve. After the Honeypot Truck pulls those solids from your tank, it goes to a KCRRRF receiving area and unloads, so that all waste goes to our Frederica plant. If you live in Clayton, Smyrna, Hartly, Kenton, Dover, Camden-Wyoming, Kitts Hummock, Pickering Beach, Harrington or Milford, or the Dover Air Force Base, your waste finds its way to this facility too.

The Kent County Sewer System encompasses the entirety of Kent County. It includes 253 miles of gravity piping where the downhill flow is maintained by lift stations. Since it is not all downhill here in Kent County, there are 177 miles of force-main piping, where the flow is maintained by pump stations. The KCRRRF is located on about 100 acres of land south of Frederica and includes infiltration screens, grit chambers, two 10 million gallon aeration basins, 2 natural gas-fired thermal heaters, 3 thermal biosolids dryers, 3 solar biosolids dryers, 66 passive solar water heaters, and 1 sand filter.

This facility processes more than 12 million gallons of waste on a sunny day, with much more on a rainy day. The waste is screened for metals and grit. Solids are separated and dried in natural gas or solar dryers, and sold to area farms as Kentorganite, as a soil amendment with nutrients as a side component. The liquids are aerated, treated to kill bacteria and other agents, passed through a sand filter, and then released into the Murderkill River as effluent, clean and nature-friendly.

The KCRRRF has received many national awards since 1997, including the 2011 US EPA Region III, Performance and Innovation in the STRF Creating Environmental Success (Pisces), the 2012 DE Chapter of American Council of Engineering Companies (ACEC) "Grand Conceptor" award, the 2012 American Academy of Environmental Engineers, Excellence in Environmental Engineering, Small Firm Grand Award, and most recently, the 2016 Inaugural Utility of the Future Award.

So, the next time you flush, think about where it is all going. The Kent County Public Works Department and all their 72 great, hard-working, employees are here to handle it, and they do it very well.

Important
Message

Message from Jack Walters
Board of Directors
President

Due to the recent unfortunate passing of fellow Directors, Richard Reynolds and Dick Bewick, our Board is currently two short of our By-Laws mandated of nine Directors.

If you are a dues-paying member and would be interested in helping provide leadership and direction to the center, please submit a one-page letter of application telling us about your background and what assets you believe you would bring to the Board.

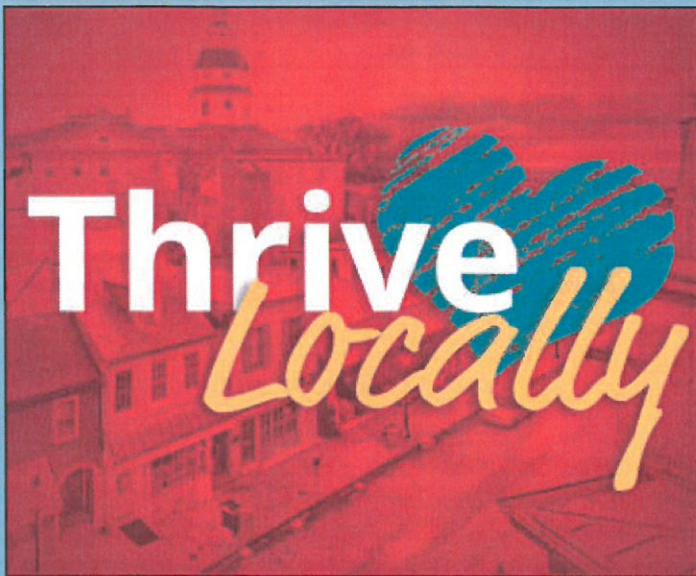

Address the letter to the center and mark to my attention. New Directors must be approved by a vote of two-thirds of the current Directors. We currently plan on doing so at our **April Annual Meeting**. One directorship will be a three year appointment; the other will be a one-year term.

Health Care Transport Program

If you are in need of our **"Medical Appointment Service"**, please call our front desk at **698-4285** to schedule your **'Pick-Up Time'**. Pick-Up times should be made 1-2 weeks in advance, no later than 48 hours in advance. Scheduled appointments must be made between 9 AM - 1:30 PM, Monday - Friday. We will pick you up 1/2 hour prior to your scheduled appointment. There will be a **\$3.00 'Trip Charge'** payable by cash or check. We will not go into Sussex County or New Castle County due to cost. Please call Harvest Years Senior Center for more information and scheduling.

Our America

Our country may now face hard times, with this we all agree, but we'll survive, ride out the storm, and good times once more see.

We've seen recession, depression, and we survived them all. We fought in wars on foreign lands - Our freedom did not fall.

We've seen good times and bad times and we will see some more, but we'll pull through, there is no doubt, just as we did before.

Some may condemn and criticize and that's their right to do, but in the end we always find they are among the few.

Through turmoil and adversity, and come what will or may, you can be sure **America** will not fall by the way.

Harold F. Mohn

About the Month of April — April is the 4th month of the year and has 30 days. Season (Northern Hemisphere):

Spring Holidays: April Fools' Day, Autism Awareness Day, Easter, Earth Day, Arbor Day, National Poetry Month, Teacher Appreciation Week, Jazz Appreciation Month, Alcohol Awareness Month, Cancer Control Month, Child Abuse Prevention Month, and Pet Wellness Month.

Symbols of April - Birthstone: Diamond, Flower: Daisy and the Sweet Pea, Zodiac signs: Aries the Ram and Taurus. the Bull.

In the initial Roman calendar **April** was the second month of the year until January and February were added in 700 BC. It is thought that the name April comes from the Latin word "to open" and describes the trees opening at spring-time. It could also be that the name comes from the Greek goddess Aphrodite.

April is the month when the professional baseball season begins in the United States.
