1977 - Celebrating 44 Years - 2021

## ***A Prayer for the 20th Anniversary of 9/11***

O God, our hope and refuge,  
 in our distress we come quickly to you.  
 Shock and horror of that tragic day have subsided,  
 replaced now with an emptiness,  
 a longing for an innocence lost.

We come remembering those who lost their lives in New York, Washington D.C., and Pennsylvania.

We are mindful of the sacrifice of public servants who demonstrated the greatest love of all by laying down their lives for friends.

We commit their souls to your eternal care and celebrate their gifts to a fallen humanity.

We come remembering and we come in hope, not in ourselves, but in you.

As foundations we once thought secure have been shaken, we are reminded of the illusion of security.

In commemorating this tragedy,  
 we give you thanks for your presence  
 in our time of need  
 and we seek to worship you in Spirit and in truth,  
 our guide and our guardian.

***Amen***

HAPPY  
GRANDPARENTS  
DAY

Sunday, September 12th

It looks like we will soon be saying goodbye to the **Summer of 2021**. Fall will officially be here in a few short weeks on September 22nd. I hope that each of you have enjoyed what you could out of our summertime, visiting with family and friends and spending time outdoors. We are excited to begin a new season with you here at *The Harvest Years*.

This month we have opportunities to volunteer here at the center. Our **2nd Yard Sale** of the year will take place on **Saturday, September 25th from 8 AM - 1 PM** and it will be held outdoors. Your help and your donations, of any sort, are very much appreciated. Please feel free to ask family members, friends and neighbors if they have anything they would be willing to donate as well. Baked goods are always a huge hit - we need those as well. Mark your calendars, and please sign up at the front desk.

**Subs are back!** Our **Sub Sale** is scheduled for Friday, October 1st. Your choices are either Turkey, Ham & Cheese, or Italian. Orders must be made and paid for by the close of our Yard Sale on September 22nd.

**Great News!** We are welcoming a new **Arts and Ceramic Instructor** to The Harvest Years. Please join us for a **Meet & Greet** at 1 PM for the ceramics class and 2 PM for the art class on Wednesday, September 22nd. Call for any additional info, but we hope to see you there.

I have been inquiring with the **Food Bank of Delaware** to get information about the **Senior Food Program**. This program is similar to the Food Box Program that many of our members were enjoying this past year. We hope to get more information in the upcoming months for a fall start. We will pass this information on to you as soon as we receive it. It is our hope that this program will help more of our members.

Another project in the works is upgrading our old sign in front of our building with LED lighting, our logo and more. This improved sign will help keep our members and the community informed of what is currently happening in the center.

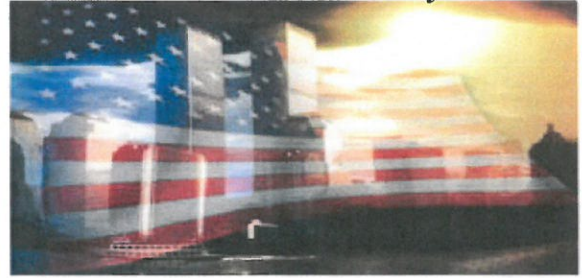

Enjoy the sunshine! We will be **closed** on **Monday, September 6th** in observance of Labor Day. Stay safe and please stop in and see me for a special surprise if you pay your 2022 membership and have new folks or friends with you!

Notes From Your  
Activities Director  
Diane Amoroso

20th Anniversary

I bet you didn't know about this after Flight 77 hit the Pentagon on 9/11 - The following happened:

A daycare facility inside the Pentagon had many children, including infants who were in heavy cribs. The daycare supervisor, looking at all the children they needed to evacuate, was in a panic over what they could do. There were many children, mostly toddlers, as well as the infants who would need to be taken out with their cribs. There was no time to try to bundle them into carriers and strollers.

Just then a young Marine came running into the center and asked what they needed. After hearing what the center director was trying to do, he ran back out into the hallway and disappeared. The director thought, "Well, here we are, on our own again." About 2 minutes later, that Marine returned with 40 other Marines in tow. Each of them grabbed a crib with a child, and the rest started gathering up the toddlers.

The director and her staff then helped them take all the children out of the center and down toward the park near the Potomac. Once they got about 3/4 of a mile outside the building, the Marines stopped in the park, and did a fabulous thing - they formed a circle with the cribs, which were quite sturdy and heavy, like the covered wagons in the Old West.

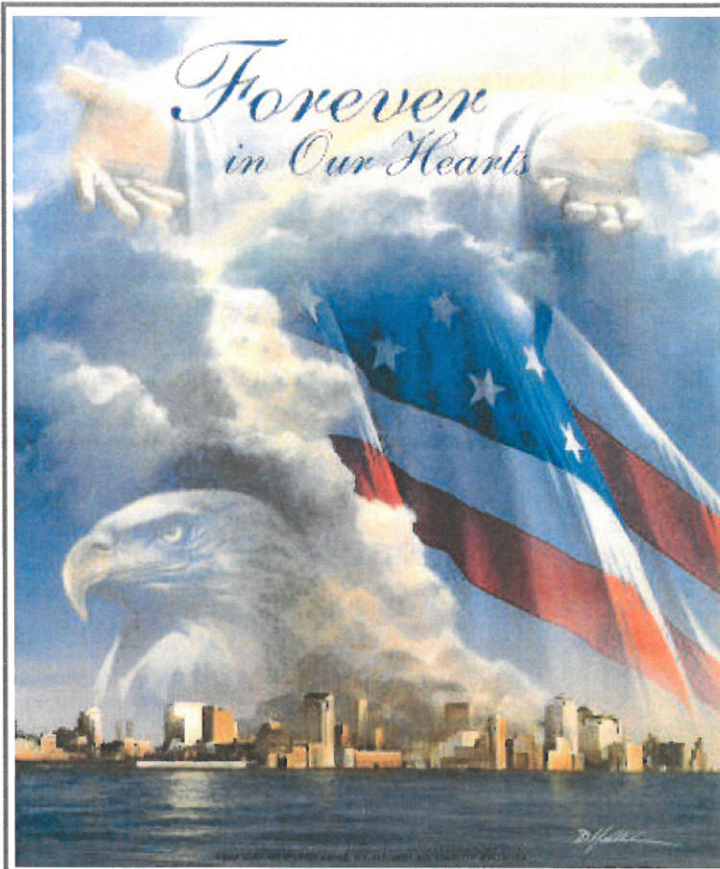

Inside this circle of cribs, they put the toddlers, to keep them from wandering off. Outside this circle were the 40 Marines, forming a perimeter around the children and waiting for instructions.

The thought of those Marines and what they did and how fast they reacted; could we expect any less from them? It was one of the most touching stories from the Pentagon.

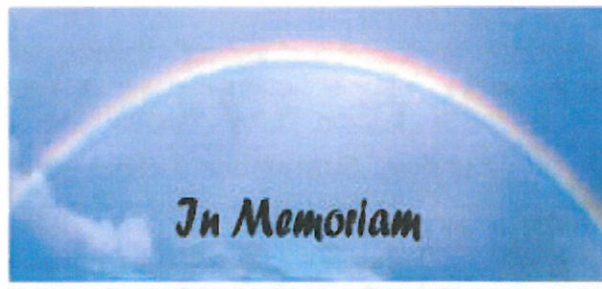

It's the military, not the politicians that ensures our right to life, liberty, and the pursuit of happiness. It's the military who salutes the flag, who serves beneath the flag, and whose coffin is draped by the flag.

If you care to offer the smallest token of recognition and appreciation for the military, please pass this on and pray for our men and women, who have served and are currently serving our country, and honor the memory of those who have given the ultimate sacrifice!

*Thank You Pat & John Mac Ronald for submitting this to me.*

SEPTEMBER 2021 REPORT

GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT  
COMMISSIONER, 5th DISTRICT

**Kent County P.R.I.D.E.**

Did you know that Kent County has an online system that allows you to look up county tax information? We call it P.R.I.D.E., and it stands for Phone Retrieval and Inquiry and Data Exchange.

The PRIDE system gives you access to public records with information concerning tax parcels in the County. If you know some simple information about a parcel, such as the address or owner name, you can look up the sales history, the square footage of any homes built on the property, number of bedrooms, and assessed value of the land and buildings, among other data about the property.

Many owners' property taxes are paid from escrow accounts associated with their mortgages. When you are notified by the mortgage company that your property taxes were paid and that they may have gone up, this could impact your mortgage payment to cover the escrow amount needed. Most of the time, it is assumed that "county" taxes are what drove your property taxes higher, when in fact it was some other line that caused the increase. Through the PRIDE system, you can look up your property taxes and history of those taxes to see just how much those lines have increased or decreased over the years.

A couple of years ago, my property taxes increased by nearly \$148. I was able to use PRIDE to determine that both my County Tax and School Tax increased as a result of a reassessment after I completed work from a permit. To me, it was very useful to have that

At a recent Kent County Levy Court meeting, the Director of Information Technology and a staff member, displayed a new Property Information website that will soon be available to the public. All of the information that was available from the previous website will still be viewable. It will be in a very readable tab format. You will be able to click on tabs for "Buildings", "Sales", "Billing", and

You will also be able to click on "Pay Online" next to your Total Due and pay via on online. There is a convenience fee associated with paying online, but it is worth it when mail service is still in recovery from the coronavirus pandemic.

One box under the "Summary" tab includes what Fire and Ambulance Districts you belong to. That would be a great place to donate to help them recover from more than a 18 months of revenue loss due to the coronavirus. That box also includes a link to your Levy

As part of your community all of this information is Public Record. I hope you will check it out.

## V-J Day September 2, 1945

September 2, 1945, Japanese and Allied representatives signed the Japanese Instrument of Surrender on the deck of the U.S.S. Missouri in Tokyo Bay. Formally known as **“Victory over Japan Day”**, the day was welcome, yet bittersweet in light of the war’s enormous loss of life. More than 400,000 Americans - and an estimated 65 million people worldwide - had died in the global conflict.
