WE NEED YOUR HELP!!

The Harvest Years Senior Center relies solely on donations, grant awards, and it's own fundraising efforts to meet its operational costs.

We are encouraging members, families, friends and neighbors throughout our community to make monetary donations to keep our programs, activities and classes available to our area seniors. The generosity of these contributions will help our center grow and also improve our community, and your community.

THIS ANNUAL GIVING

CAMPAIGN, the Elevenths one of its kind for the Harvest Years Senior Center, comes at a time of great financial need for our center.

Your pledge is one way that you can help the HYSC fill the funding gaps that we have suffered due to Covid-19 pandemic, State and Federal Budget Cuts in monies allocated to Senior Centers in Delaware.

WHO ARE WE ?

Harvest Years Senior Center, Inc. has proudly carried out it's service motto of **"Seniors Helping Seniors"** for the past 44 years. Senior Citizens in Kent County Delaware have been served through the **Senior Center Program** as well as the **Shopping Program**, and our new pilot program, **Health Care Transportation** all operated by Harvest Years Senior Center.

Harvest Years Senior Center Program serves a current active member group of 608+ with a comprehensive monthly calendar of educational, recreational, social and wellness activities both on and off site. A hot nutritious, noon-time meal is prepared on-site and served restaurant style or grab and Go. The **Shopping Program** currently serves 133 eligible Kent County seniors with their grocery shopping needs. Current trips can also be made to the pharmacy, bank and post office. The **Shopping Program** supports **Senior independent living**. Additional to this service we added the Healthcare transportation service.
