New Year

From Your
Executive Director
Tom Bones

*Welcome
January*

As 2021 comes to a close, and we open the doors on a New Year, we must thank all of our friends and members of the Harvest Years Senior Center that have so generously donated to this year's **Annual Giving Campaign** such a success! Every last penny counts to help our center continue to grow. If you have not yet made a donation to this year's campaign and would like to, please do...It's not too late.

The upcoming Winter season is an excellent time for you and other members to take advantage of the Harvest Years Transportation Services that are available to you. Transportation can be provided for you, to and from the center so that you can join us for lunch or an activity. We also have our Shopping Program as well as our Healthcare Transportation. Please call the front desk to arrange any of these services.

Save the Date: The Harvest Years Annual Winter Soup Festival will be held on Friday, January 21, 2022. We are in need of some chefs! Please sign up at the reception desk or just give us a call if you are able to join in the festivities and prepare a pot of your favorite soup to share.

Harvest Years Membership Dues are due on January 1, 2022. The cost is just \$20.00 per person for the year. You are welcome to mail it into us, or stop by to renew your membership. Do you know another senior who is not yet a member? Now is an excellent time to tell them all about us and encourage them to join.

Good News....We finally have had our old sign replaced and a new LED sign has been installed! Please stop by and check it out!

On behalf of myself, our employees and our Board of Directors, we wish you a Happy New Year and may 2022 bring you much good health, wealth and happiness! Thank you for all of the outstanding support that you have given the Harvest Years in 2021, and I look forward to only good things for us all in the coming New Year.

Stay warm, be safe and enjoy! Tom

An optimist stays up until midnight to see the New Year in. A pessimist stays up to make sure the old year leaves. – Bill Vaughn

Learn from yesterday, live for today, hope for tomorrow. – Albert Einstein

It is not how much we do, but how much love we put in the doing. It is not how much we give, but how much love we put in the giving. – Mother Teresa

A good criterion for measuring success in life is the number of people you have made happy. – Robert J. Lumsden

The time is always right to do what is right. – Martin Luther King Jr.

The holidays are over and we can finally sit back and relax! Winter is in full swing with cold and winter like weather. It's time we all begin thinking about the Spring and all the fun activities we will be enjoying beginning on April 14th when we will be attending a musical show at the **DUTCH APPLE THEATRE** in Lancaster, PA. Next in April is our **Mother's Day Gift trip to Hooper's Island** where we will enjoy a fabulous lunch at the **Old Salty's Restaurant**. After lunch we travel to **Layton's Chance Vineyards** to enjoy a quiet afternoon learning the art of wine-making including tasting samples of wine to enjoy.

This has always been a favorite trip for our members.

Martin Luther King, Jr. Day
January 17, 2022

Martin Luther King Jr. Day (officially **Birthday of Martin Luther King, Jr.**, and sometimes referred to as **MLK Day**) is a federal holiday in the United States marking the birthday of Martin Luther King Jr. It is observed on the third Monday of January each year. Born in 1929, Rev. Dr. King's actual birthday is January 15. The holiday is similar to holidays set under the Uniform Monday Holiday Act. The earliest Monday for this holiday is January 15th. King was the chief spokesperson for **nonviolent** activism in the **Civil Rights Movement**, which protected racial discrimination in federal and state law. The Campaign for a federal holiday in King's honor began soon after his assassination in 1968. **President Ronald Reagan** signed into law in 1983, and it was first observed three years later. At first, some states resisted observing the holiday as such, giving it alternative names or combining it with other holidays. It was officially observed in all 50 states for the first time in 2000.

JANUARY 2022 REPORT

GEORGE "JODY" SWEENEY, KENT COUNTY LEVY COURT
COMMISSIONER, 5th DISTRICT

Kent County Redistricting

Every ten years, the United States completes a census of Americans. This census identifies where people live, the types of jobs they have, what their income is, how many children they have, and many other things.

Here in Delaware and in Kent County, that information is used to divide up the population into census tracts. These tracts are then put together into Election Districts, and Election Districts are then combined to make up Representative Districts, Senatorial Districts, and County Districts. The idea is to create fair representation of those living here in our elected governments.

Levy Courts were created by King George in the 1600's. They levied taxes on the colonists, hence the name Levy. Over the years, as America stood independent, these Levy Courts gradually changed to a more council form of government, in which the public servants, Presidents of the Council, and Administrators were elected by the public. Kent County Levy Court stands as the only elected body that still retains most of the original intent of the Levy Court idea.

Kent County is divided into six Levy Court Districts. The First Levy Court District includes Smyrna and surrounding areas and is represented by Commissioner Joanne Masten. The Second Levy Court District includes south and west Dover areas and is represented by Commissioner Jeff Hall. The Third Levy Court District includes north and east Dover and Cheswold areas and is represented by Commissioner Alan Angel. The Fourth Levy Court District includes Milford and point north to the Dover Air Force Base and is represented by Commissioner Eric Buckson. The Fifth Levy Court District includes Camden, Wyoming, and the Dover Air Force Base and is represented by myself. The Sixth Levy Court District includes areas from Harrington to Hartley and is represented by Commissioner Glen Howell. The At-Large Levy Court Commissioner is Terry Pepper, and he represents the entire county. Levy Court Commissioners serve a four-year term, with three elected in one election cycle and four in the next to provide some continuity.

Each of the six Levy Court Districts contains about 30,000 residents. It is important to note that this is residents, not voters, because it is a measure of the population, and all are represented, whether they vote or not. This represents an average of about 6,000 more residents per district than the 2010 census and is also an indication of just how much Kent County is growing.

The seven Commissioners are elected by those who live in their districts. Amongst the Commissioners, a President and Vice President of Levy Court are chosen. Terry Pepper currently serves as President and Alan Angel serves as Vice President. In addition, the County Administrator is chosen by Levy Court Commissioners, and is currently served by Michael Petit de Mange. The County Administrator runs day-to-day business for the County government, as well as planning for the future based on the direction set by the elected body.

Being a Commissioner is not a full-time job, but Commissioners can devote a lot of time to doing it right. Meetings are nearly every Tuesday throughout the year, with many other commitments to meet with constituents, government organizations, homeowner associations, advisory boards, or government departments they represent. On an average week, these meetings, along with preparing for the Tuesday meeting, could take 25-30 hours.

Personally, I find being a Commissioner very fulfilling, being able to help constituents navigate the departments of the County government.

Next month, I will describe the Row Offices of the County.
