1977 - Celebrating 45 Years - 2022

Memorial Day Prayer for the Military

Honoring past men and women of the military is the first focus of this prayer, but present and future members of the armed forces are also acknowledged.

Almighty God,

We thank You for bringing us together, as a nation, for a **Memorial Day Tribute** to acknowledge the debt we owe to the men and women of the United States military who have guarded this country with their lives. We especially honor those who lost their lives while defending this nation and those who remain as POW's & MIA's. They fought on land, at sea, and in the air, always understanding that they may not come back from the mission and accepting that as part of the job. They were willing to risk death to protect this land we hold so dear and the American people along with it. We thank them for their sacrifice and promise we'll carry on their legacy to ensure they did not die in vain.

Father, we pray that You strengthen and protect all our military personnel who are serving presently and in the future. Give them the courage to face whatever comes, protect them in battle, and help them prosper in times of peace. Watch over their families, Lord, as You watch over us all. We put our trust and faith in You and even though we don't always understand Your ways, we accept that You have a plan for each and every one of us. Please help us fulfill our personal missions, whatever they may be. **Amen**

Free Birthdays lunches are for EAT-IN ONLY!

COST: \$6.00 PER LUNCH

Happy
MAY DAY

May 1, 2022

From Your
Executive Director
Tom Bones

MAY days are here! We have plenty of Spring activities planned here at The Harvest Years to keep us busy as bees. All are guaranteed to put a little spring into your step, so please join us.

We will celebrate and remember all of our mothers and grandmothers with a special **Mother's Day Luncheon** on Wednesday, May 4th. We will have a delicious menu and a special gift for all of our mothers. Gentlemen, please join us in celebrating these great ladies that we are lucky enough to have in our lives.

May, 2022 is also when we celebrate and recognize **Older American's Month**. The theme for 2022 is "**Age My Way**", an opportunity for all of us to explore the many ways older adults can remain in, and be involved within their communities.

Mark your calendars for **Friday, May 20th** - it's our semi-annual **Sub Sale**. **Pre-order** and **Pre-pay by Monday, May 16th**. Pick up times will be between 11 AM - 1:30 PM. Look for the flyer with more specific order information. If you are able to volunteer, in any way, please let the front desk know **ASAP**.

June 4th will be our **Harvest Years Yard Sale**. Help support our center and come out on the first Saturday in June! Discover some treasures that you didn't know you needed. Donations for this sale are being accepted now. If you need assistance, please contact us.

Lastly, please join us for our **Memorial Day Tribute** on **Friday, May 27th**. **We will honor the United States Military and all who gave their lives for our country and our freedoms.**

Remember -
our fallen heros.
They are the reason
that we are free.

Our 45th Anniversary celebration of The Harvest Years on April 19th was so nice! Thank you so much to all who came to help us celebrate this milestone.

MY BEST FRIEND

May 2022 "Age My Way"

The Administration for Community Living has announced that the theme of Older Americans Month (OAM) 2022 is "Age My Way". The Administration for Community Living leads the nation's observance of Older Americans Month and will be focusing on aging in place—how older adults can plan to stay in their homes and live independently in their communities for as long as possible. When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthday. About a third of older Americans lived in poverty and there were few programs to meet their needs. Interest in older Americans and their concerns was growing. A meeting in April 1963 between President John F. Kennedy and members of the National Council of Senior Citizens led to designating May as "Senior Citizens Month," the prelude to "Older Americans Month". Historically, Older Americans Month has been a time to acknowledge the contributions of past and current older persons to our country, in particular those who defended our country. Every President since Kennedy has issued a formal proclamation during or before the month of May asking that the entire nation pay tribute in some way to older persons in their communities. Older Americans Month is celebrated across the country through ceremonies, events, fairs, and other such activities. The 2022 theme is "Age My Way", is an opportunity for all of us to explore the many ways older adults can remain in and be involved with their communities.

Rails-to-Trails

A few years ago, a friend of mine was having issues with tree growth and branches falling in her yard from a neighboring property. Did you know Kent County has recently adopted new vegetation ordinances that protect homeowners from this? I was very happy to support those types of ordinances. I'll have an article on that soon.

After a bit of investigation, I found out that the property next to my friend was owned by the Maryland State Department of Transportation. Yes! Maryland owns land in Delaware. After contacting MDDot, they had crews come and trim the trees so that they were no longer a burden to my friend.

My curiosity was piqued about the land ownership, I found that Maryland owns parcels that are about 50 feet wide and 12 miles long, that stretches from School Lane in Clayton, Delaware to the Maryland-Delaware State line in Marydel, Delaware. The Maryland Rail Program and Policy Manager informed me that this was part of an old railway project that ran from Woodland Beach in Delaware to Easton in Maryland. It is straight as an arrow and goes through the towns of Kenton, Hartly, and Marydel on the Delaware side. In fact, in Marydel, at the Marydel Volunteer Fire Company, you can see two sets of rails in the ground that still exist!

Maryland is reluctant to turn this unused land over to Kent County Levy Court due to its inclusion in the Federal Railbank Program, for which Maryland gets credit. Railbanking is a method to preserve land for possible use as a railway in the future. But for now, they are willing to partner with a government organization in Delaware to develop this long strip of land into something useful.

There is a program that takes land like this and turns it into a walking/biking park. It is called Rails-To-Trails. I am happy to say that with Levy Court is now pursuing this program. With the offer of partnering from Maryland, we are now in communication with our friends from the State and our congressional delegation to Washington.

Sussex and New Castle County both have Rails-To-Trails parks. This park in north-western Kent County will bring much needed outdoor opportunities to walk or bike a 12 mile trail. It will provide towns with opportunities for economic development. I can imagine 5k's, 10k's, fund-raisers and other events along this park. I can imagine small businesses in the towns along the way offering snacks, ice cream, or other offerings to those who use the trail.

Meetings are just now beginning to seek a path forward, funding opportunities, and steps to getting it done. I would like to see this project well under way as 2023 rolls around. Stay tuned.
