Let's celebrate Farmers Markets! National Farmers Market Week is a great opportunity to show the nation how much value markets bring to their communities. With fun events, specials, contests, and activities, the week helps to boost market attendance and visibility – while at the same time being loads of fun! However, we know that it can be a lot of work to plan a festive week like this, so FMC offers plenty of resources, tools, and fun activities of our own for market managers, vendors, and attendees alike to use for planning and participating in National Farmers Market Week! **August 7-13, 2022**

From Your  
Executive Director  
Tom Bones

It's not over yet! I hope you are all enjoying the final month of the Summer of 2022. Keeping cool, beating the heat, and enjoying some summer fun! Although many of you are away enjoying time with family and friends, we still have plenty of sunny day activities going on here at **The Harvest Years!** Please check our August Activity Calendar and please stop in any weekday.

**The Harvest Years** has received some **Covid-19 Rapid Antigen Tests** for our members to use at home. If you would like to have one, please call or e-mail me. We have received a very limited supply of the test kits.

We do have some pre-planned activities to look forward to in the Fall. We will hold our **1st Outdoor Picnic** here at The Harvest Years, on **Friday, September 30th at 12 Noon**. Please contact our reception desk if you are willing to volunteer some time to help us get this event off the ground. The following weekend is our **Annual Fall Yard Sale on Saturday, October 8th** from **8 AM - 1 PM**. Our **Spaghetti Dinner Fundraiser** is scheduled for **Friday, October 21st**. These events will also need your time and talents to be successful. Please let us know how you can help out. Join us for all of these events as a chance to have some fun with your fellow Harvest Years members.

Lastly, a special shout out to our **Garden Club**, 2022 members; **Mildred, Barbara, Anna, Bill and Mary Parks**. **Thank You** for taking the lead on this project. We are starting to harvest the rewards of all of their hard work. If you get a chance please stop by and see our garden. If you are interested in helping with this garden for next season please let us know.

Stay cool and hydrated.

Notes From Your  
Activities Director  
Diane Amoroso

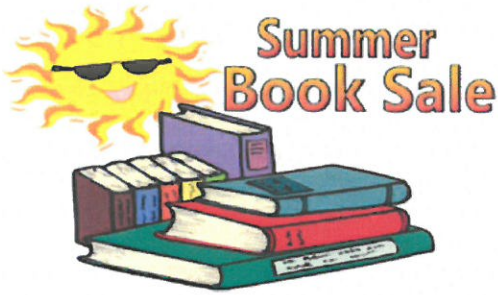

Summer is in full swing with warm day-time temperatures and clear moon lit evenings with skies filled with so many bright stars. Perfect weather to get outside and enjoy this magnificent time of the year.

Our travel plans and activities will enable us to enjoy the remainder of nice weather for this year. We have five trips scheduled through November and many fun activities here at the center including our First Annual Outdoor Picnic, our Fall Yard Sale, our Fall Craft Fair, and so much more.

The South Dakota trip in June was a spectacular event. We have had this trip scheduled since 2019 and had to cancel the trip due to the pandemic. Finally, we were able to spend a week visiting the many historical sights in the great state of South Dakota. Everyone had a fantastic time.

We have had a busy summer visiting the Ft. Miles Museum in Cape Henlopen State Park, the Du Pont Estate at Winterthur, DE and Lititz, PA. Live musical shows at the Dutch Apple Theatre, Sight & Sound, and the American Music Theatre are all upcoming.

It is always exciting and so much fun when we all get together, go out and enjoy a show, visit a new place of interest and enjoy lunch at a nice restaurant to finish the day!!

## **FYI: Services Excluded from Medicare Coverage: Dental, Vision, & Long-Term Care**

### **Dental Services & Medicare**

Medicare does not cover dental services that you need primarily for the health of your teeth, such as routine check-ups, cleanings, fillings, most tooth extractions, and dentures. Medicare does, however, offer very limited coverage for dental care needed to protect your general health, or for dental care needed for another Medicare-covered health service to be successful. For example, Medicare may cover:

- An oral examination in the hospital before a kidney transplant.
- Surgery to treat fractures of the jaw or face.
- Dental splints and wiring needed after jaw surgery.
- Removal of a tooth in order to access & treat a cancerous growth..

### **Vision Services and Medicare**

Routine eye care services, such as regular eye exams are excluded from Medicare coverage. However, Medicare does cover certain eye care services if you have a chronic eye condition, such as cataracts or glaucoma. Medicare covers:

- Surgical procedures to help repair the function of the eye due to chronic eye conditions. For example, Medicare will cover surgery to remove a cataract and replace your eye's lens with a fabricated intraocular lens.
- Eyeglasses or contacts if you had an intraocular lens placed in your eye after cataract surgery.
- An eye exam to diagnose potential vision problems. Medicare only covers annual eye exams by state-authorized eye doctors if you have diabetes or are at high risk for glaucoma.

**Long-term Care & Medicare** - LTC & LTSS refers to a range of services that help you perform everyday activities. LTC can be provided in a nursing home, assisted living facility, or other setting, and may include medical care, therapy, 24 hour care, personal care, and custodial care. Medicare does cover non-medical, or non-skilled, LTC services. Contact your local Medicare office to see if you are eligible.
