

Join *Harvest Years Senior Center* on a memorable

# *Tour of Long Island, New York*

*Monday, September 18 - Thursday, September 21, 2023*

**September 18:** We arrive on Long Island and visit the Cradle of Aviation Museum, where we will explore spacecrafts, hot air balloons and an actual Apollo Lunar Module, as we learn about Long Island's role and why it is called the Cradle of Aviation. We will then check into our hotel where we have accommodations for the next 3 evenings. We are treated to a delicious welcome dinner this evening. (D)

**September 19:** We board our motorcoach for the drive to Sagamore Hill for a visit to the home – and summer White House – of President Theodore Roosevelt. Appearing the same as it did in 1910, when he left the presidency, we learn about the unique lifestyle and accomplishments of Theodore Roosevelt in this lovely hillside setting. On to the Vanderbilt Museum and Planetarium, where we will take a tour of Eagle's Nest, the estate, mansion, and museum of William K. Vanderbilt II. Upon returning to our hotel, we enjoy another great dinner. (B,D)

**September 20:** Following breakfast we drive to downtown Riverhead, Long Island located on the scenic Peconic River. We will visit the Long Island Aquarium where we will see one of the largest all-living coral reef displays, a 120,000-gallon shark tank and much more marine life. We will then see some beautiful art at the Heckscher Museum, where we will explore many art exhibits and see some of Long Island's very own artist's work on display. Another tasty dinner is prepared for us this evening. (B,D)

**September 21:** Before the drive home, we visit Old Westbury Gardens, the elegant estate of financier John Phipps. Built in 1906, the site features a 70 room English manor house and beautiful traditional formal gardens spread over 100 acres of Long Island's famous North Shore. We then continue our drive home.
